2010-2011

New Interactive Science Laboratory!

Parents and Guardians,

Every week, students will learn through a variety of hands-on experiments and explorations. I would like to partner with the parents to get even more materials for the children. Please take a look at the wish list below and donate items as you are able. The more "stuff" we have, the more activities the students can do.

Thanks so much for the support,

Mrs. Wilber

K-4 Science Instructor

16 or 20 ounce empty water bottles

8 ounce clear plastic cups

Alka-Seltzers

Aloe vera plant

Baking soda

Balloons

Blue-tack

Bright desk lamp

Buttons
